

2025 Hunter College Alumni Weekend

Why Reunions?

Why is so much time and energy expended on reunions? For alumni, it is a time to get reacquainted with old friends and to rekindle the spirit that carried you through your college years. It is also a time to share memories and reflect on the role Hunter College played in your lives. For Hunter, the Reunion provides an opportunity to inform alumni of its progress and to recognize, honor and thank its distinguished graduates for their achievements and accomplishments.

Your involvement as a reunion committee member is key to the success of the event. You will need to motivate and energize your classmates to join you at this year's reunion celebration. The more classmates you involve, the better attendance will be and the more fun for all.

Reunion Committee members assist with building enthusiasm for the weekend and encourage your classmates to share their favorite memories from their days at Hunter College. We will put together a Reunion presentation, highlighting your special days and memories, which will be shown during the reunion festivities. *(Even if a classmate is unable to attend the reunion, encourage him/her to submit their favorite memories.)*

Your specific responsibilities are to:

- Serve as a liaison with the Alumni Office
- Contact your fellow classmates (list to be provided by the alumni office) and anyone else you wish to and encourage participation in this year's reunion celebration.
- Signatory on reunion letters and outreach initiatives
- Report any updates back to the alumni office regularly.
