

**The NYC Arts in Education Roundtable is seeking volunteers for the upcoming [2026 Face to Face Arts in Education Conference](#), our flagship annual event and the largest convening of its kind in NY state.**

Through a wide variety of panels, workshops, reports, and other presentations, the Face to Face conference offers something for everyone: arts administrators, teaching artists, school personnel, parents, students, and representatives of community-based organizations. An array of exciting presenters share best practices; discuss local, state, national, and international policies; and address enduring issues such as quality, assessment, sustainability, professional development, equity and inclusion, and art and social justice.

The 2026 in-person conference will take place on April 8 and 9 at Shepard Hall at the City College of New York.

Volunteers will be asked to work one shift, and will be welcome to enjoy the rest of that day's conference programming at no cost. Lunch will be provided. Volunteer shifts are as follows:

- Wednesday, April 8 - Shift 1 -- 8am to 1:30pm
- Wednesday, April 8 - Shift 2 -- 12:30 pm to 6:00pm
- Thursday, April 9- Shift 1 -- 8:30am to 2:00pm
