Additional Notes

For students who place below MATH 150, please note the following Math sequence: MATH 101 – MATH 125 – MATH 150. If you start MATH 125 Precalculus, the degree map is shifted by one semester and still allows for completion of the major in 4 years.

CHEM 111 is a special honors course and is a prerequisite for CHEM 112

CHEM 390 requires special departmental permission to register

In Junior and senior year, a 300-level chemistry course must be taken.
