Recently, the City of New York passed the Earned Sick Leave Act (ESLA), which requires certain employers to give their employees sick leave. The law became effective on April 1, 2014 and you may be entitled to sick leave, which you can use for the care and treatment of yourself or a family member.

You may also be entitled to Safe leave, drawn from the same leave bank, safe leave can be used to seek assistance or to take other safety measures if you or your family member is the victim of any act or threat of domestic violence, unwanted sexual contact, stalking, or human trafficking.

The law requires employers to provide written notice of an employee's right to sick leave. The attached "*Notice of Employee Rights*", provides you with pertinent information on your rights under the Earned Sick Leave Act.
