# MATH 150 SPECIAL BOOT CAMP

## TAKING MATH 150 OR 152 IN SPRING 26?

Join us for the MATH 150: Calculus I Special Boot Camp. Throughout the four-day workshop, we'll refresh and strengthen your core prerequisite skills.

## IN ADDITION YOU WILL LEARN:

- What support services available to you
- How studying and learning math is different from other subjects
- How attitudes impact learning and strategies for developing a growth mindset
- Pointers for test-taking and ways to manage math/test anxiety

HOSTED BY  
DMLC TUTOR
