IF YOU HAVE CHANGED YOUR ADDRESS OR PHONE NUMBER, YOU MUST MAKE THE NECESSARY CHANGES IN THREE PLACES

1. Notify the International Students staff about your new address or/and phone number, via e-mail, intlss@hunter.cuny.edu
2. You should also update your address and/or phone number with the OASIS/Registrars office http://registrar.hunter.cuny.edu/forms/change_address_name_form.pdf
3. You must also notify USCIS about your new address within 7 business days. Please download the USCIS change of address form at <http://www.uscis.gov/files/form/ar-11.pdf> or you can do the change of address electronically at: <https://egov.uscis.gov/crisgwi/go?action=coa>

Tips on how to fill out the USCIS change of address form

- For Port of entry and Date of entry into the U.S. please check your I-94 (white card inside your passport).
- My stay in the U.S. expires on: your answer for this should be **D/S** for duration of status

Please note that it is your own responsibilities to maintain your status with U.S.C.I.S. while staying in the United States. This means you are responsible for familiarizing yourself with the legal obligations and maintain your legal status. If you allow yourself to fall "out of status" it may be extremely difficult to reinstate yourself into F-1 status. Please also note that it is **extremely important** to attend immigration workshops hosted by the International Student Advisor. <http://www.hunter.cuny.edu/student-services/is>

MAINTAINING STATUS

Transfer recommendation form must be completed by the student and the International Student Advisor at your most recent school.

You must confirm your attendance at the new school within 15 days of beginning classes, at the latest.

Change of Status: Discuss your situation with an International Student Advisor first. In the meantime, if you would like to read some materials pertaining to changing your status, please go to the following websites: <http://uscis.gov/graphics/formsfee/forms/files/i-539.pdf> and <http://uscis.gov/graphics/formsfee/forms/files/i-566.pdf>

Reinstatement: If you fail to maintain F-1 status, for any reason, you are ineligible for F-1 benefits until after reinstatement is granted by U.S.C.I.S. Reinstatement is not granted, if you have worked illegally.

TRAVEL AND REENTRY

Documents: Valid passport, visa and an endorsed page 3 of your I-20 for reentry to the United States after travel.

New Entry Visa

- If your entry visa has expired, you must apply for a new visa at the U.S. Consulate in your country of Citizenship.
- You must have an original bank letter that is less than six months old from the date issued, showing you or your sponsor(s) have at least the total amount indicated on your SEVIS I-20 (item #8) or more in their account.
- One month before you expect to travel, request a new SEVIS I-20 from the International student office staff. Present your passport, previous SEVIS I-20s and current documentation of financial support, if you are obtaining or renewing your visa.
- To make an appointment with the U.S. Consulate in your country of citizenship, go to www.travel.state.gov . If you are a citizen of Canada or Mexico, please go to www.nvars.com
- If you are not a Canadian citizen but would like to renew your visa in Canada, you must make a request and ask for a written permission from the person you contacted to renew your F-1 visa there. For Canada, the website is www.nvars.com as well.

REMINDERS FOR F-1 STUDENTS

TRAVEL

Student planning to travel outside of the United States, you must have page 3 of your Hunter College SEVIS I-20 – continued attendance endorsed by Ms. Iris M. Aroyewun or one of the authorized International students office staff, two weeks prior to your departure date from the U.S.

- Do not forget to carry your most recent passport, visa and I-94 with you.
- Always bring current proof of financial support with you, if you are going to renew/obtain your F-1 Visa. Note that these documents should be in English and in U.S. currency.

OPTIONAL PRACTICAL TRAINING

Students completing their program in the current semester may apply for Optional Practical Training at the International Students Office (ISO). The earliest you can apply for OPT is 2 months before graduation date and within two months counting from the last day of classes. The form for OPT can be obtained here <http://www.uscis.gov/files/form/I-765.pdf> and the whole package with instructions, at this website. <http://www.hunter.cuny.edu/student-services/is/repository/files/OptionalPracticalTraining.pdf>

PROGRAM EXTENSION

Avoid falling out of status by applying for a program extension on time in the International Students Office. Check the date of your completion of studies under item 5, on your current SEVIS I-20. If you are maintaining student status and need more time to complete the degree requirements, it is preferable that you apply for a program extension 60 days before the expiration date of your SEVIS I-20 but definitely no later than 7 days before your I-20 expires.

Please bring with you proof of “compelling academic or medical reasons” which caused the delay of your graduation. We will notify USCIS of the program extension.

If the date of your completion of studies has already expired, you should apply for REINSTATEMENT immediately. Your reinstatement application will be filed with USCIS for adjudication. If you failed out of status and apply for Reinstatement, it will take 6 months or more to finally get the result whether your reinstatement to F-1 status is approved or denied. So, the best alternative is avoiding falling out of status altogether.

If you have completed a degree level (i.e. bachelors’ degree) and would like to pursue another degree level (i.e. Second degree, Masters’ degree, PhD) you must apply for a new SEVIS I-20 at the I.S.O.

TRAVEL DURING OPTIONAL PRACTICAL TRAINING

You may not travel while your Optional Practical Training is in process. You must wait until you receive your OPT Employment Authorization Documentation (E.A. D.) card. When traveling, you MUST obtain a signature for travel from the International Students Office staff and you MUST carry your E.A.D. card with you to present to the immigration inspector when you re-enter the United States.
