FDA circa 1995-2015

- FDA had several standing committees, including:
 - academic freedom
 - academic policy and
 - a social committee that coordinated periodic campus social events such as a monthly "Faculty Club" in the faculty dining room
- By the late 90's/early 2000s, these standing committees were poorly subscribed [Faculty Club ceased meeting by 1998]

Changes in 2006

- 2006 –abrupt withdrawal of College Update and Academic Update by President and Provost
 - Followed by only irregular meetings between President and Executive Committee
- With absence of president and provost, FDA meetings focused on guest speakers from college offices (e.g., ICIT, Library, Research Administration, etc.)
- Attendance plummeted relative to early days of FDA...
