## Additional Notes

Students must complete a minimum of 6 HIST credits within each of the following geographical fields: United States history, European history (includes Russia and the USSR), and World/Non-Western (Asia, Africa, and Middle East)/Latin American history.

A maximum of 9 credits in 100-level courses may be applied to the major.

A minimum of 18 credits in advanced-level courses distributed as follows:

6 credits in 200-level courses (not including HIST 29000)

9 credits in 300-level courses or higher (including HIST 30000/HIST 40000)

\*\*HIST 29000 - History Practicum (W) Majors must have passed 9 credits of HIST-designated courses before enrolling in HIST 29000. No more than 6 of the 9 credits required for HIST 29000 enrollment may be at the 100 level. A minimum grade of C is required to receive credit for HIST 29000. The Department strongly suggests students take the Practicum in the sophomore year, but recognizes that transfer students will not have had an opportunity to do so, but should be encouraged to take it the Fall semester of their Junior year

Chronological Distribution: Within the requirements for the major (exclusive of HIST 300) students must also complete a minimum of 3 credits in a course that is largely focused on years prior to 1815:

If the course is at the 100-level, it must cover material that is entirely pre-1815.

If the course is at the 200-level or higher, the majority of the material in it must be pre-1815.
