Cancelling the ePermit application with this instructions does not automatically drop/withdraw you from the course. This request informs us that you want to cancel your ePermit application.

If you are also enrolled into the actual course at the Host School, you will need to drop the actual course as well (not the PERM billing unit - this is dropped by us once we processed your cancellation)

Please check your Student Hunter e-mail, just in case we attempt to contact you with an issue regarding your cancellation request

Please allow us 1-3 business days (excluding holidays and out of office hours) to drop the PERM billing course from your schedule.
