## **Additional Notes** (Principles of Biology and General Chemistry Sequence)

•Please note that your MATH course selection is based on your placement exam and MATH 12550 is a pre-requisite for STAT 213.

Optional Courses: (These do not count towards the major credits.)  
Independent Study (HMBIO 402) (1-3 Credits), Internship (HMBIO 403) (1-3 Credits)

•Honors Requirements: Complete Independent Study or Internship AND Overall GPA 3.0 or higher AND Human Biology Major GPA 3.5 or higher.

•Students will be required to have C- or Credit grades or better in the Core Sequence to continue in the major. Transfer students will be required to take ANTHP 10500 and receive a C or better to continue in the major.

•Students will choose between three Tracks I: Track I: Body, Mind, & Health, Track II: Human Evolution and Variation, or Track III: Human Organizations. Within each Track, 9 of the 18 credits must be at the 300+ level. The 18 credits must come from more than one department.
