

## REQUIREMENTS FOR UNDERGRADUATE HONORS THESIS

### CHEMISTRY

**Option 1: A member of the Hunter College Chemistry Department faculty has agreed to mentor your research.**

You must meet the following requirements:

1. Filing the signed "Acknowledgement Of Undergraduate Thesis Requirements" form with the department.
2. Completion of CHEM 291 and CHEM 491 with a grade of B or better.
3. Presentation at the Hunter College undergraduate research symposium or equivalent.
4. Completion of a written thesis approved by mentor and submitted to both the mentor and the Chemistry Department.

**Option 2: A faculty member NOT from the Hunter College Chemistry Department has agreed to mentor your research.**

You must meet the following requirements:

1. Scheduling an appointment via e-mail (dgoss@hunter.cuny.edu) to meet with Dr. Dixie Goss, the designated Chemistry Department representative.
2. Approval of a written abstract outlining the project, particularly the chemical aspects, from the department representative Dr. Dixie Goss PRIOR to registration.
3. Confirmation from the mentor (email to dgoss@hunter.cuny.edu) that they will be supervising your work and agree to send a letter grade at the end of the semester by return email.
4. Filing the signed "Acknowledgement Of Undergraduate Thesis Requirements" form with the department.
5. Completion of CHEM 291 and CHEM 491 with a grade of B or better.
6. Presentation at the Hunter College undergraduate research symposium or equivalent.
7. Completion of a written thesis approved by mentor and submitted to both the mentor and the Chemistry Department.
