

2026 Hunter College Reunion Weekend

Why Alumni Weekend?

Alumni Weekend is a great way for alumni to get reacquainted with old friends and to rekindle the spirit that carried you through your college years. It is also a time to share memories and reflect on the role Hunter College played in your lives. For Hunter, Alumni Weekend provides an opportunity to inform alumni of its progress and to recognize, honor and thank its distinguished graduates for their achievements and accomplishments.

Your involvement as a committee member is key to the success of the event. You will need to motivate and energize your classmates to join you at this year's reunion celebration. The more classmates you involve, the better attendance will be and the more fun for all.

Alumni Weekend Committee Description:

1. **Building and Inspiring Momentum, inspiring ideas and encouraging engagement:** Participate in planning elements for weekend that energize and motivate alumni to stay connected and involved.
2. **Sharing Posts on Social Media:** Promote events, news, and updates by sharing posts on social media, helping to spread the word and increase visibility.
3. **Outreach to Fellow Classmates:** Engage with your classmates personally through phone calls, emails, or social media to invite them to our events, encourage their participation in the weekend's festivities. Additionally, you will serve as signatories on alumni weekend letters, adding a personal touch to alumni weekend communications. The alumni office will support you with ready-to-use templates, messages, and social media posts to share.
4. **Volunteer During Alumni Weekend:** Join us in making our events truly special! As a committee member, you'll warmly welcome and greet alumni, spark engaging conversations with your fellow classmates, and assist with various activities throughout the weekend.

Alumni Weekend Website:

Alumni Weekend will be held on Friday, April 17 and Saturday, April 18. Stay tuned for date and event details. An Alumni Weekend survey is available on the website:
