

# Dolciani Math Learning Center

## Math Week 2025

## GAMES & EVENTS

Over 400 students participated in a Math Week activity. Did you get the chance to play one of our many games including How's Your Memory, Wheel of Fortune, Math Jeopardy, Math Taboo, and SET?

“  
*The people running  
the show were  
amazing. Do this  
more please!*  
-Student Feedback  
respondent

## PRIZES & GIVEAWAYS

- Did you leave your guess for how many tiles were in the jar?
- Missed out on our daily puzzles?

Over 150 prizes have given out including snacks, candy, notebooks, pens, bookmarks and gift cards.

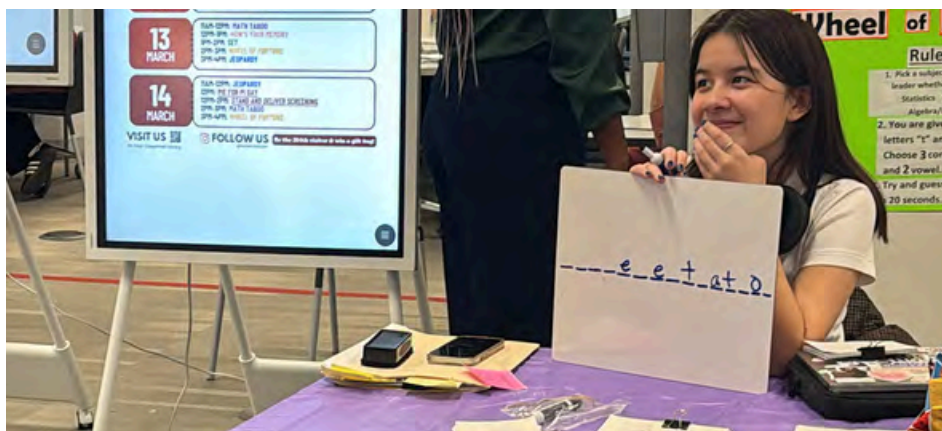

## THANK YOU DMLC STAFF

*We couldn't do it without you!*

Special thanks to DMLC staff members Shariah, Tangila, Hamida, Celine, Mickaela, Hailey, Maria, Emma, Aissatou, Matthew, Aldiona, and Victoria who assisted with running activities throughout the week.

## MATH CAREER PANEL

March 11th

Thank you to our panelists Jason Lang, John Ehrhardt, Scott Gentile, and Sara Twyman for sharing their stories about how they utilize math in their careers. Students enjoyed asking about work experience, internships, and interview advice.

*“Amazing math week! Career Panel was the best for sure.”*  
-Student Feedback respondent

## PIE FOR PI DAY

March 14th - Did you get your slice of Pie?

*“Super friendly and nice. Pie was yummy. Thanks guys.”*  
-Student Feedback respondent

*Love Math Week.  
Nice Apple Pie.*  
-Student Feedback respondent

## MOVIE DAY

March 14th - Flatland

Students enjoyed a screening of Flatland, an animated short about two-dimensional shapes discovering the third dimension.

## EVENT RECAP

Thank you to all of the Math Week participants!

- An estimated 240 slices of pie were given out for Pi Day (3/14)
- Over 150 prizes given out including snacks, candy, notebooks, pens, bookmarks and gift cards.
- Congrats to our Jar Guess winners Nicholas and Danny
- Congrats to Aissatou for being the 314th participant
- Congrats to our Puzzle winner

Stay tuned for more DMLC events in the future!

March 10-14th
