Hunter College

Brief midterm evaluation of the Intern's progress to date

Student Name: _____

Host Organization: _____

Host Supervisor: _____

Please comment briefly on the intern's progress to date. Aspects of the intern's performance that you should address include: carrying out assigned responsibilities, adapting to the pace, the environment and the people at your organization, punctuality, reliability, possession of aptitude, skills, and attitude suited to the intern's position and current intern projects.

A final evaluation of the intern's performance will be requested later in the semester.
