

Public Programs and Conversation Committee

Co-Chairs: Miesha Smith and Karen Hunter

- Launched the creation of the Speaking of Justice Series
- Series of events that concentrate on racial injustices effecting our students
- The committee has also worked with the Counseling and Wellness Office to create support groups around racial inequities that are open to all students
- Event on May 14th concentrating on “Cancel Culture”
- Recommendations include creating a student committee who will concentrate on developing ideas for future Speaking of Justice events
