AUDRE
LORDE
NOW
S E R I E S

Audre would often say that she is a Black lesbian feminist mother warrior poet who is doing her work. And then she'd ask, "are you doing yours?"

This session focuses on the work of confronting racism and other -isms.

This will be a participatory event.

DOING OUR WORK: Confronting Racism - and other "isms"

Tuesday, February 23, 6pm

Moderated by:

Meagan Washington

Poet and Hunter College
Adjunct Professor
