Testing Accommodation Form Guide:

*Before filling out a **Testing Accommodation Form (TAF)**, you must share your accommodation letter with your instructors confirming your registration with the Office of AccessABILITY and the accommodation received.*

When requesting testing accommodations, you must submit a Testing Accommodation Form (TAF) to the testing coordinators via email (@accesstesting@hunter.cuny.edu) or in person to North 300 within at least two weeks before the exam date.

Late requests are not guaranteed and may require rescheduling.

TAF Checklist:

Please review this checklist before submitting your TAF to ensure you've taken the necessary steps.

Section A (Student)

1. Fill out your (student) information, including your name, EMPLID, contact information, and the course code of the course you are requesting accommodations for
2. Indicate **ALL** the course exam dates and the start time and length of the exam for the class (without calculating your extended time).

Section B (Alternative Time Request Only)

1. Only complete this section if you believe your exam will **conflict** with another class or will be outside our center's hours of operation.
2. **Discuss an alternate date and complete section B with your course instructor.** Once completed, ask your professor to provide their signature indicating approval. Alternative time requests will only be granted with professor approval and if an eligible time conflict is present.

Section C (Instructor)

1. Ask your instructor to complete this section, including how the exam will be submitted to the office and the completed exam's return information.
2. Instructors may provide any additional notes, comments, or instruction relevant to the exam.

Submit TAF to Access Testing Center

1. When you have completed Section A
2. Alternative Time Only (Section B) was completed by both you and your instructor
3. AND, Instructor has completed Section C

If you need further assistance filling out your TAF, schedule an appointment with one of our Testing Coordinators.
